Re: Sunnyside Neighborhood Association's Recommended 2035 Comprehensive Plan Map Changes

Dear Susan Anderson,

The Sunnyside Neighborhood Association (SNA) Board has reviewed the City's latest Draft Recommended 2035 Comprehensive Plan Map dated June 1, 2015. The SNA Board urges the City to consider the following two changes along SE Belmont Street:

- Extend the Centers Boundaries (Defined) from SE 45th Avenue east to SE 49th Avenue;
- Change the Comprehensive Plan Map designation between SE 42nd Avenue and SE 49th Avenue from Mixed Use – Neighborhood to Mixed Use – Urban Center.

Thank you for your consideration of these two 2035 Comprehensive Plan Map changes.

Sincerely,

Sunnyside Neighborhood Association
